Summer 2019 FLakey Awards

Note: To be eligible for awards A, B, or C, a player has to be a scheduled player (not just a sub) and has to have played at least 3 times for self (not as a sub). Results below exclude weeks for players during which they played as a sub.

X↓ = not eligible

A1. Highest Rated Players – THIS SEASON (top 10)

Nolan, Tim	14.74
Meyer, Ben	14.31
Sher, Ed	14.27
Nicholl, Jack	13.94
Sonnenschein, Canaan	13.86
Bier, Barney	13.58
Narayan, Rama	13.24
Brewer, Chip	13.07
Michelson, Jon	12.50
Robinson, Brian	12.11

Congratulations to **Tim Nolan** as the winner of this past season's Urshan/Lerner Award. After two prior second place finishes, this is Tim's first time ending with the Gold. Tim solidified his top-of-the-heap rating with unbelievably good play on the top court in the season's final week. I lucky enough to witness point-after-amazing point – quite the spectacle!

Congratulations too to **Ben Meyer** as a silver medal winner -- Ben's first time finishing in the (metaphorical) money.

Points are based on a system that tracks wins and losses giving higher credit for higher courts. The stats of subs don't count toward the points for each player. So whether you had a sub, or you served as a sub, those points don't affect your season points results. [FYI, if you're really curious about this, I do have ratings and results available that include "as-a-sub" results.]
